FROM THE DESK OF BOB AND DOUG

On December 8, 2008 Pech Optical Corp and Essilor Laboratories of America joined in partnership. This is great news for you, our valued customer, and Pech Optical Corp as we will continue to lead in innovation for the optical industry.

Our Pech Philosophy remains firmly in place and all of our employees will continue to provide you with the quality and service you have come to expect. We will still offer products and services from a variety of manufacturers and vendors and any changes you may encounter are assured to be constructive.

We thank you for your continued loyalty and support. If you have any questions or comments regarding this change, we welcome you to call either of us personally.

We wish you Happy Holidays and a Prosperous 2009!

Best Regards,

Robert W Pech, *CEO*
